Dec 19 Mason's birthday  
Dec 21—Jan 1 Winter Break  
Dec 21 Joshua's birthday  
Dec 26 Cendric's birthday  
Dec 30 Carter's birthday

## **Poulsbo Marine**

## **Science Center**

On Friday Dec. 11th we will be travel-

ing to the PMSC to spend a day exploring the water and creatures in our Puget Sound. It is a great day of science for students and adults alike.

We are still looking for FOUR MORE VOLUNTEERS that would like to come with us. There is no cost and it is a great way to spend time with your child! If you are interested, please contact one of the teachers! Also, each child received a blue paper last Wednesday asking for their lunch choice for our trip. Kids can either bring a disposable bag lunch from home OR order a sack lunch from our cafeteria—regular rates apply. If that paper is lost, you can simply send an email to let us know your decision ASAP - all orders need to be completed by TOMORROW!

## **Thank You!!!**

Thank you so much for taking the time to come and visit us here in the portables for parent/student/teacher conferences (even if some were in the dark). It was a pleasure to meet all of you (or reconnect for those we already have met) and talk about

your wonderful child and the great success we have seen thus far. If you ever have questions or concerns, please do not wait until spring conferences. We are here to help your child and the sooner solutions are discovered, the better!

## **Mini Auction**

As you probably know, kids earn Cougar Cash for positive choices during our school days and are fined for no so good decisions. One of the ways that kids can “spend” their money is during market days. Another way is through class auctions! Through the fall months, the two teachers have been collecting small items that we believe students would like to “purchase” with their earned money. If your family would like to donate for our auction, we would kindly take small (fairly inexpensive) items as donations for our “event.” We are also willing to take gently used items (like books or toys ) that you feel 6th graders would enjoy. Sometimes kids also “buy” items as gifts for their family members... so keep that in mind as well as possible donation items. Thanks for supporting our classrooms in any way you can, although please do not feel obligated. Donations are accepted up until the 15th of December. Thank you.
